## VISION

The improve our environment by providing an environmentally friend civil infrastructure and allied trades in a cost effective manner mindful of the effect of the same on green house emission thereby ensuring improved and sustainable livelihoods for the people and the country as a whole

## MISSION

Firstly to supply our employees with the safety and good relation environment. To supply our client with the highest quality products in a fast, efficient and proffessional manner to put our clients first by providing superior service at a fair price

## BACKGROUND

Tastebo Trading was established some years back by the four promoters, who are very courageous who saw a gap in the economy and seized the opportunity. The business has had a humble beginning and needs to grow. The approach of Tastebo Trading is to use locally available labour and materials without compromising on quality.

The challenge facing Tastebo Trading is getting jobs from clients. Hence this profile is to solicit business from potential customers within our province Limpopo and other provinces (eg) Gauteng, Mpumalanga and North west .

## COMPANY STRUCTURE

Tastebo Trading is headed by promoter Ntshoeng Adam Mogadime. The promoter is responsible for soliciting work from clients.

The other two promoter are also directors
